 MINISTRY OF INFRASTRUCTURE AND NATURAL RESOURCES
 ENERGY TRANSITION AND INSTITUTIONAL SUPPORT PROGRAM (ETISP)

SUBJECT : Recruitment of the individual consultant for the supervision engineer services for Santo Amaro south solar PV plant (1,5MW)

The African Development Bank (AfDB) and the Energy Transition and Institutional Support Program (ETISP) published on June, 13 a notice of expression of interest for the recruitment of an individual consultant for supervision engineer services for Santo Amaro south solar PV plant (1,5MW) that expired on July, 18 2022.

Six expressions of interest were submitted and evaluated by an evaluation committee.

The ETISP project hereby presents the results of the evaluation of candidates, as shown in the table below :

	Consultant	Country
1st	Paul Stefan Hattle	Austrian
2nd	Jemai Abdelmajid	Tunisie
3rd	Shanker Mohanan	India
4th	Jérôme Deghilagre	Belgium
5th	Izaílde Fernandes	São Tomé and Príncipe
6th	Gilmar Ramos	São Tomé and Príncipe

The negotiation for the signing of the contract will be done with the first classified in the contest.

We are very grateful for everyone's participation in this contest and look forward to having you in a future consultation.

Please accept our vote of highest consideration.

The Coordinator

 Leonel Wagner Neto
