

ANNOUNCEMENT

The Project Fiduciary and Administrative Agency (AFAP), in coordination with the National Roads Institute (INAE), within the framework of the Second Transport and Coastal Protection Project, invites interested national and international companies to participate in an Early Market Engagement Workshop, as provided for under the World Bank's *Procurement Regulations for IPF Borrowers*, with a view to fostering an open, transparent, and non-binding dialogue prior to the launch of the procurement procedures.

The workshop will take place on February 25, 2026, at 9:00 a.m., in a hybrid format, at the AFAP Meeting Room on the 3rd Floor, with an estimated duration of three hours, and will be conducted in Portuguese. Participation is free of charge.

The following interventions will be presented and discussed:

- Climate-resilient rehabilitation of EN1S2 (Guadalupe – Neves);
- Rehabilitation of the Marginal Road, along the Airport – CKDO corridor.

Participation in the Workshop does not confer any competitive advantage.

Registrations must be confirmed by 5:00 p.m. on February 23, 2026, by email to ptpc.procurement@afap.st, indicating the company name, representatives, and preferred mode of participation.

Participation in person is subject to confirmation, limited to a maximum of two representatives per company. Details for online access will be provided once registration has been validated.

All information will be shared equitably, in accordance with World Bank principles.
