NOTICE OF CANCELLATION

EARLY MARKET ENGAGEMENT WORKSHOP

CLIMATE-RESILIENT REHABILITATION OF EN1S2 (GUADALUPE – NEVES)

Agência Fiduciária de Administração de Projetos (AFAP) hereby informs all interested parties that the Early Market Engagement (EME) Workshop for the Climate-Resilient Rehabilitation of EN1S2 (Guadalupe – Neves), scheduled for November 19, 2026, at Hotel Praia, São Tomé, has been cancelled.

This decision has been taken to allow for the completion of certain technical and organizational preparations, ensuring that any future market engagement can be conducted under appropriate conditions and effectively achieve its intended objectives.

AFAP regrets any inconvenience this decision may cause and sincerely appreciates the understanding and interest expressed by all prospective participants.

Accordingly, all previously published notices concerning the workshop, including the subsequent rescheduling announcements, are hereby withdrawn.

Any information regarding future Early Market Engagement initiatives will be communicated in due course through AFAP's official channels.

For further information, interested parties may contact:
